

Failure to complete a check-in/out sheet in full will invalidate the insurance coverage. The check-out/check-in must be retained for inspection.

Assessment of Renter competence and vessel condition

Before all rentals the Owner, or his authorized agent, "Owner" and Renter, or his captain, "Renter" must complete an inspection and orientation of the vessel. This includes but is not limited to Safety, Seaworthiness, Condition of vessel, Competence of the renter or captain, and pre-existing issues.

Owner must ensure that the Renter (or his captain) is competent to operate the vessel in accordance with the insurance policy and the law.

Before handing over control of the vessel, owner must complete a full walk through with the named renter or his captain. You must perform a visual inspection of the engine, hull and all equipment. If any damage is present or items missing this must be noted. If necessary photos should be taken and retained for inspection.

Please note: The preceding are solely the responsibility of the Owner and Renter and that they must be completed at their sole satisfaction. The Bareboat Charter Agreement between owner and renter is incorporated by reference herein.
